

Application
FY 2022/2023 Apples for Schools Program

The Southern Heritage Apple Orchard

Deadline for Submittal: March 31, 2023 5:00 pm.

School Name: _____

Name of Teacher Submitting Application: _____ Grade Level: _____

Address: _____

Teacher Phone Number: _____

Principal's Name: _____ School Phone: _____

Do you have enough space to put in a 4-tree apple orchard at your school? Yes No

If yes, please include a map indicating where it will be located.

Is there a source of water readily available in that area? Yes No

If yes, please indicate on the map where water source is in relation to the proposed orchard site. If not, please indicate how you intend to provide water for the trees.

In addition to fertilizer and mulch, the young trees will require stakes to support them and ensure they grow straight, orchard tie tape to secure the trees to the stakes, chicken wire to form protective rings around them (10 feet per tree), and white paint to paint the base of the trees. Please address each of these needs. Do you have the means to acquire these items?

In two pages or less, please explain why Horne Creek Living Historical Farm should donate four heirloom apple trees to your school. How would it benefit your school and students? In what creative ways would you use this orchard to further your students' education?

Horne Creek staff will visit the school to help the students plant the trees in March on a day that works for all. Photos from the event will be used by Horne Creek Farm for media outreach publicizing the grant award. The school agrees to obtain permission from parents of participating students for Horne Creek Farm to have the right to use their child's image.

Signature of Teacher Submitting Application: _____

Date: _____

Signature of Principal: _____

Date: _____

For use by Award Committee:

Date/Time received at Horne Creek Farm office: _____

Signature of staff member receiving the application: _____

Comments Regarding Application By Award Committee:

Date and time recipient school and teacher were notified of award: _____

Date established for HCF Staff to go to the school and help plant the trees. _____
