Halifax Resolves

The Select Committee to take into Consideration the Resolutions and Petitions presented and Committed by the King and Parliament of Great Britain against America, and the further measures to be taken for frustrating the same, and for the better defence of this province, reported as follows, to-wit:

It appears to your Committee, that pursuant to the plan concerted by the British Ministry for subjugating America, the King and Parliament of Great Britain have usurped a power over the persons and properties of the people unlimited and uncontested, and disregarding their humble petitions for peace, Liberty, and Safety, have made slaves, Legislators, Soldiers, and every Species of Humanity against the Continent, in general.

That British Fleets and Armies have been, and still are daily, employed in destroying the people, and committing the most horrid Cruelties on the country. That Governors in different Colonies have declared Proclamations to slaves, who should embrace their hands in the blood of their masters. That the Slaves belonging to America are declared persons of War, and many of them have been violently seized and Enslaved. In Consequence of all which, multitudes of the people have been destroyed, or from very circumstances reduced to the most lamentable distress.

And Whereas the Abominable bills to manifest by the United Colonies, and their sincere desire to be reconciled to the Mother Country on Constitutional principles, have procured no Mitigation of the aforesaid Wrongs and Usurpations, and no hopes remain of obtaining redress by those means above which have been hitherto tried, your Committee are of Opinion that the House should enter into the following Resolves.

Resolved, the Delegates for this Colony in the Continental Congress be empowered to confer with the Delegates of the other Colonies in declaring Independence, and forming foreign alliances - reserving to this Colony the sole and Exclusive right of forming a Constitution; and Leave for this Colony, and of appointing Delegates from time to time (under the direction of a General representation thereof) to meet the Delegates of the other Colonies for such purposes as shall be hereafter pointed out.

The Congress taking the Same into Consideration, unanimous Concurred therewith.

By order, of James Green, Secretary
