

Dear Valued Educator,

Thank you for visiting Fort Fisher State Historic Site with your class!

Our goal is to provide valuable and memorable educational opportunities for students (and adults!) visiting our site. We hope everyone who visits Fort Fisher learns something while having fun.

To that end, would you please consider taking a brief [post-visit survey](#) to help us improve? Your opinion is invaluable to ensure we are meeting the needs of our educators and students.

Respectfully,

*Kaitlin O'Connor*
